

Horizontal Center Step Card

Supplies:

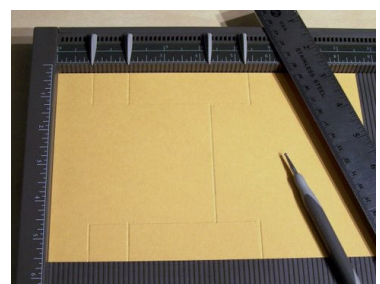

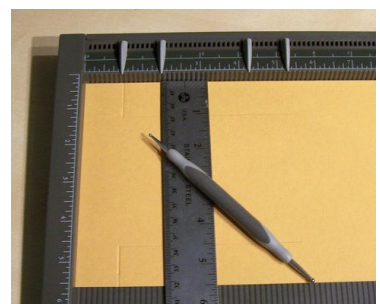

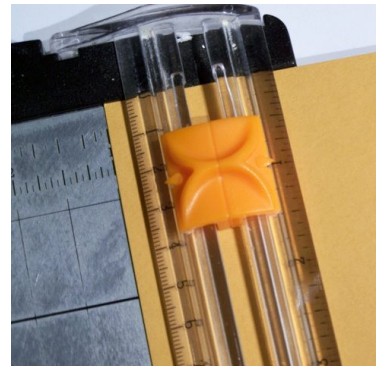

(Shop Online 24/7 at juliedavison.stampinup.net)

- Gently Falling Stamp Set
- Heard from the Heart Stamp Set
- Ink Pads: Crumb Cake, More Mustard, and Soft Suede
- More Mustard cardstock: 5 1/2" x 8 1/2"
- Very Vanilla cardstock: 2 3/4" x 3"
- Very Vanilla cardstock: scrap
- Soft Suede cardstock: 3" x 3 1/4"
- Spice Cake Designer Paper: (2) 3/4" x 3"
- Paper Cutter
- Simply Scored Tool (or scoring blade for Paper Cutter)

Directions:

1. Put the 5 1/2" x 8 1/2" piece of cardstock in the Paper Cutter with the 5 1/2" edge at the top. Measure to 1". Start the cutting blade at 1" on the vertical ruler and cut down to 5 1/4". (Note: The arrows on the cutting blade indicate where the blade is cutting. The arrow should be pointing to the 1" mark when you start the cut.)
2. Move the cardstock over to the 4 1/2" mark on the top ruler. Start the cutting blade at the 1" on the vertical ruler and cut down to 5 1/4". You should have two parallel cuts in the cardstock, 1" from either side.
3. Use the Simply Scored tool (or your Paper Cutter with Scoring Blade) to score the cardstock according to the template (next page). Start by placing your cardstock with the 8 1/2" edge at the top of the scoring tool. The cuts in the cardstock will be parallel to the top of the scoring tool and should be closest to the left end of the cardstock.
4. Use the stylus to score at 1", 2", and 5 1/4" from the top edge of the cardstock to the cut line, and again from the second cut line to the bottom edge of the cardstock. Use a ruler with the place markers as a guide for the second part of the score line.
5. Use the stylus to score at 4 1/4" in the center of the cardstock *between the cut lines only*.
